

**PRESIDENT DECREE N. 3439
PROT. N. 64496 – III/14.12 DEL 22/03/2023**

THE PRESIDENT

- GIVEN the agreement between the University of Florence and the Ecole Nationale Supérieure de Chimie de Paris (Chimie ParisTech-PSL), the Université Paris Sciences et Lettres (ENS-PSL), the Ecole Normale Supérieure and the Ecole Supérieure de Physique et de Chimie de la Ville de Paris on a shared education programme within the *Master's Degree in Chemical Sciences* and the *Master's Degree in Advanced Molecular Sciences*, at the University of Florence, and the *Master in Integrative Chemistry and Innovation* of the *Gradué Chimie Program* at the University Paris Sciences et Lettres (France), aimed at issuing the qualifications of both universities, stipulated by the respective Deans on 14th December 2022;
- CONSIDERING that the University has as attribution (Article 12 letter F of Law 390/91) the promotion of exchanges of students;
- GIVEN the "Guidelines to be adopted by the educational structures for the recognition of the didactic activities carried out by students in the frame of the Erasmus+ mobility program", approved by the Academic Senate in the session of 3rd December 2003 and, in particular, article 10 which provides that these provisions may also apply even if the student mobility takes place within the framework of any other EU interuniversity mobility program or any international cooperation agreement;
- GIVEN the Statute of the University of Florence and, in particular, article 9;
- GIVEN the Academic Regulations of the University and, in particular, articles 11 and 12;
- GIVEN the request of the President of the Joint Board of the Bachelor's Degree in Chemistry and the Master's Degree in Chemical Sciences and of the President of the Advanced Molecular Sciences Master's Degree of the University of Florence, received by mail (Prot. N 29027 of 09/02/2023), which asks the School of Mathematical, Physical and Natural Sciences to proceed with the issue of a call relating to the agreement with the University of Paris Sciences et Lettres (France), aimed at obtaining the Master of Integrative Chemistry and Innovation;

DECREES

the issuance of the following Call:

CALL FOR APPLICATIONS FOR THE SELECTION OF 5 STUDENTS ENROLLED IN THE MASTER'S DEGREE IN CHEMICAL SCIENCES (class LM-54) OR IN THE MASTER'S DEGREE IN ADVANCED MOLECULAR SCIENCES (class LM-54) OF THE UNIVERSITY OF FLORENCE, ELIGIBLE FOR A STUDY PERIOD OF ONE ACADEMIC YEAR, IN THE A.Y. 2023/2024, AT THE UNIVERSITY OF PARIS SCIENCES ET LETTRES (FRANCE) TO OBTAIN THE MASTER IN INTEGRATIVE CHEMISTRY AND INNOVATION, AWARDED BY THE ABOVE UNIVERSITY

Art. 1 - Indiction

The School of Mathematical, Physical and Natural Sciences announces a selection to establish a list of 5 eligible students, enrolled in the Master's Degree program in Chemical Sciences (Class LM-54) or in Advanced Molecular Sciences (Class LM-54) of the University of Florence, to carry out a mobility study period of one year at the University Paris Sciences et Lettres (France) during the academic year 2023/24.

Art. 2 - Purpose of mobility

The mobility period is aimed at:

- attend the courses previously agreed between the partner universities;
- to take, at the end of the teaching units attended, the examinations and verification tests, provided by the study plan, that must be approved before departure by the Joint Board of the Bachelor's Degree in Chemistry and the Master's Degree in Chemical Sciences or the Master's Degree in Advanced Molecular Sciences.

Students enrolled in the first year at the University of Florence remain students of this institution for the duration of the degree program. Once obtained the 60 ECTS in the first year of the Master's Degree, they must obtain the additional 60 ECTS (including the 30 ECTS related to the "Final examination: experimental work") of the second year of the Master of the University Paris Sciences et Lettres (PSL), according to the rules of each institution. They will be regularly enrolled in the Master in Integrative Chemistry and Innovation of Chimie ParisTech-PSL.

More information about the Master in Integrative Chemistry and Innovation can be found on the website of the University of Paris Sciences et Lettres at the following link:

<https://psl.eu/formation/masters-degree-integrative-chemistry-and-innovation>

Students who fail to achieve the objectives of the Convention will not be able to obtain a degree from the University of Paris Sciences et Lettres, but they will still be able to continue their studies at the University of Florence. In such cases,

however, they will obtain the recognition of the credits achieved during their stay at the University of Paris Sciences et Lettres.

The release of the qualifications of both Universities (Master's Degree in Chemical Sciences or Master's Degree in Advanced Molecular Sciences at the University of Florence and Master in Integrative Chemistry and Innovation at the University of Paris Sciences et Lettres) with all legal effects, will be done at request of the graduate students and upon certification of each partner University, that the graduate has completed the course of study according to the agreed study plan.

Art. 3 - Admission requirements

Students who, by the expiry date of this call, will be regularly enrolled, on a full-time basis, in the **first year** of the Master's Degree in Chemical Sciences (Class LM-54) or in Advanced Molecular Sciences (Class LM-54) of the University of Florence for the a.y. 2022/2023 and who declare they want to enroll, on a full-time basis, in the a.y. 2023/2024 to the above mentioned Master' Degrees.

Applicants must have, at the time of departure, a knowledge of English at level B2 or above.

Art. 4 - Procedure and deadline for the submission of applications

In the application form (Allegato A), to be addressed to the President of the School of Physical and Natural Mathematical Sciences, the candidate must declare, under his/her personal responsibility, pursuant to DPR n. 445/2000, the following:

- surname and first name;
- date and place of birth, tax number (codice fiscale) and residence;
- to possess the requisites described in art. 3;
- the indication of own telephone number and e-mail address.

The candidate must also attach:

- the list of the examinations with mark that the candidate has taken both in the first level degree and in the master's degree;
- motivational letter for the mobility, countersigned by a teacher of the University;
- Learning Agreement (Allegato B), correctly completed with an indication of the study programme to be carried out during the mobility (see Allegato 1 for guidance in the compilation of the study plan)
- copy of a valid identification document
- any other documents useful for the selection.

The application must be addressed to the President of the School of Mathematical, Physical and Natural Sciences, Viale Morgagni, 40/44, 50134 Florence, and must be received **no later than 23rd April 2023 at 13.00** hours under exclusion.

The application must be sent by e-mail from your institutional mailbox *name.surname@stud.unifi.it* to the e-mail address *relint@scienze.unifi.it* with the subject "Application for mobility for double degree University of Paris Sciences et Lettres - a.y. 2023/2024".

Art. 5 - Evaluation board

The evaluation board will be appointed by the President of the School of Mathematical, Physical and Natural Sciences and will be announced on the website of the School at the end of this call.

Art. 6 - Formation and approval of the list of eligible students

The selection for the formation of a list of eligible students will be carried out on the basis of the selection criteria established by the Evaluation Board, which will take into account the following elements:

- a. Achievements during university career and year of enrolment;
- b. Motivation.

At the end of the selection will be drawn up the list of 5 eligible students in order of ranking.

The University administration reserves the right to carry out appropriate checks on the veracity of the substitute declarations contained in the application for participation and in the annexes.

The list of eligible students will be published on the webpage of the School of Mathematical, Physical and Natural Sciences (<http://www.scienze.unifi.it/>).

Art. 7 - Acceptance of mobility

The eligible students must formalize their acceptance of the mobility within 10 days from the publication of the list through the subscription of a special form that will be available at the School of Mathematical, Physical and Natural Sciences.

The final list of eligible students will be announced by a Decree of the President of the School of Mathematical, Physical and Natural Sciences published in the webpage of the School of Mathematical, Physical and Natural Sciences (<http://www.scienze.unifi.it/>).

Art. 8 - Financial support for mobility

Pending the announcement by the National Erasmus+ Agency INDIRE of the exact number of scholarships awarded to the University, eligible candidates will be awarded an Erasmus+ study mobility grant, if they meet the eligibility requirements for such mobility.

If they are not eligible for the Erasmus+ grant, it will still be possible for the students to carry out the mobility at their own expense.

The funding of Erasmus mobility grants is subject to the allocation of funds by the National Erasmus+ Agency INDIRE, following the publication of this Call. If the financial cover is not sufficient to cover all the monthly payments, the number of monthly payments financed may be reduced proportionately to the duration of the months provided for in the mobility contract, signed by the student before departure. It is up to the University Bodies to define criteria, methods and amounts of the contribution for the year 2023/2024 by next July 2023, on the basis of the Call 2023 funding, that will be allocated to the University by the National Erasmus+ Agency INDIRE and the MUR to promote student mobility.

For all the eligible candidates it is foreseen, compatible with the financial resources available to the School of Mathematical, Physical and Natural Sciences, a financial support for mobility in the form of a partial contribution to the costs of travel and/or a language course and/or urban transports to be paid upon return of mobility, upon presentation of the relative documents and receipts.

Art. 9 - Processing of personal data

In participating in this call, candidate acknowledges that the processing of their personal and sensitive data will take place in accordance with the procedures established by EU Regulation 2016/679 (GDPR) on the protection of natural persons with regard to the processing of personal data. The candidate also takes note that the curriculum vitae et studiorum and the declarations made for which, pursuant to current legislation, compliance with transparency obligations is required, will be published on the website of the University in the appropriate section of "Transparent Administration" and will be processed for the purposes of managing the selective procedure.

Art. 11 - Final rule

This call will be published on the Albo Ufficiale of the University of Florence, available at the link <http://www.unifi.it/albo-ufficiale.html>, until the deadline of the call and inserted in the web page of the School of Mathematical, Physical and
