

**PRESIDENT DECREE N. 5005
PROT. 110155 III/14.12 OF 30/04/2026**

THE PRESIDENT

- GIVEN the agreement between the University of Florence and the University of Rouen Normandie (France) on a shared education programme within the *Master Degree in Chemical Sciences* (class LM-54), at the University of Florence, and the *Master Chimie* at the University Rouen Normandie (France), aimed at issuing the qualifications of both universities, stipulated by the respective Deans on 30th June 2021 and expired on 30th June 2025;
- GIVEN the addendum to the agreement between the University of Florence and the University of Rouen Normandie (France) (prot. 357040 del 14/12/2025) which extends the agreement to the Master Degree in *Advanced Molecular Sciences* and the expiration date till 31/08/2029;
- CONSIDERING that the University has as attribution (Article 12 letter F of Law 390/91) the promotion of exchanges of students;
- GIVEN the "Guidelines to be adopted by the educational structures for the recognition of the didactic activities carried out by students in the frame of the Erasmus+ mobility program", approved by the Academic Senate in the session of 3rd December 2003 and, in particular, article 10 which provides that these provisions may also apply even if the student mobility takes place within the framework of any other EU interuniversity mobility program or any international cooperation agreement;
- GIVEN the Statute of the University of Florence and, in particular, article 9;
- GIVEN the Academic Regulations of the University and, in particular, articles 38 and 39;
- GIVEN the request of the President of the Joint Board of the *Bachelor's Degree in Chemistry* and the *Master Degree in Chemical Sciences* and of the President of the *Advanced Molecular Sciences Master Degree* of the University of Florence, received by mail (Prot. N. 57194 del 04/03/2026), which asks the School of Mathematical, Physical and Natural Sciences to proceed with the issue of a call relating to the agreement with the University Rouen Normandie (France), aimed at obtaining the *Master Chemie*;

DECREES

the issuance of the following Call:

CALL FOR THE SELECTION OF 8 STUDENTS ENROLLED IN THE MASTER DEGREE IN CHEMICAL SCIENCES (class LM-54) OR IN THE MASTER DEGREE IN ADVANCED MOLECULAR SCIENCES (class LM-54) OF THE UNIVERSITY OF FLORENCE, ELIGIBLE FOR A STUDY PERIOD OF AT LEAST ONE SEMESTER,

IN THE A.Y. 2026/2027, AT THE UNIVERSITY OF ROUEN NORMANDIE (FRANCE) TO OBTAIN THE MASTER CHIMIE, AWARDED BY THE SAME UNIVERSITY.

Art. 1 - Announcement

The School of Mathematical, Physical and Natural Sciences announces a selection to establish a list of 8 eligible students, enrolled in the *Master Degree in Chemical Sciences* (Class LM-54) or *Master Degree in Advanced Molecular Sciences* (Class LM-54) of the University of Florence, to carry out a mobility study period of at least one semester at the University of Rouen Normandie (France) during the academic year 2026/27.

Art. 2 - Purpose of mobility

The mobility period is aimed:

- to carry out their experimental work for thesis
 - to attend the courses previously agreed between the partner universities
 - to take, at the end of the teaching units attended, the examinations and verification tests, provided by the study plan, that must be approved before departure by the Joint Board of the *Bachelor Degree in Chemistry* and the *Master Degree in Chemical Sciences* or by the Board of the *Master Degree in Advanced Molecular Sciences*.
- Students must obtain minimum 30 ECTS and spend a mobility period of at least one semester to carry out their experimental work for thesis. In addition they can attend courses in presence and take the related examinations.

More information about the *Master Chimie* can be found on the website of the University of Rouen Normandie at the following link:

<https://www.insa-rouen.fr/formation/masters/chimie>

Students who fail to achieve the objectives of the Agreement will not be able to obtain a degree from the University of Rouen Normandie, but they will still be able to continue their studies at the University of Florence. In such cases, however, they will obtain the recognition of the credits obtained during their stay at the University of Rouen Normandie.

The release of the qualifications of both Universities (*Master Degree in Chemical Sciences* or *Master Degree in Advanced Molecular Sciences* at the University of Florence and *Master Chimie* at the University of Rouen Normandie) with all legal effects, will be done at request of the graduate students and upon certification of each partner University, that the graduate has completed the course of study according to the agreed study plan.

Art. 3 - Admission requirements

Students who, by the expiry date of this call, will be regularly enrolled, on a full-time basis, in the *Master Degree in Chemical Sciences* (Class LM-54) or *Master Degree in Advanced Molecular Sciences* (Class LM-54) of the University of Florence for the a.y. 2025/2026 and who declare they want to be enrolled, on a full-time basis, in the a.y. 2026/2027 to the above-mentioned Master Degrees.

Applicants must have, at the time of departure, at least a knowledge of English at level B2 and a knowledge of French at the level B1.

Art. 4 - Procedure and deadline for the submission of applications

In the application form (Annex A), to be addressed to the President of the School of Physical and Natural Mathematical Sciences, the candidate must declare, under his/her personal responsibility, pursuant to DPR n. 445/2000, the following:

- surname and first name;
- date and place of birth, tax number (Italian codice fiscale) and residence;
- to possess the requisites described in art. 3;
- the indication of their own mobile number and e-mail address.

The candidate must also attach:

- the list in English of the courses with marks that the candidate has obtained both in the first level degree and in the master degree;
- motivational letter for the mobility;
- Learning Agreement (Annex B), correctly completed with an indication of the study programme to be carried out during the mobility
- copy of a valid identification document
- any other documents useful for the selection.

The application must be addressed to the President of the School of Mathematical, Physical and Natural Sciences, Viale Morgagni, 40/44, 50134 Florence, and must be received **no later than 15th May 2026 at 13.00** to avoid exclusion.

The application must be sent by e-mail from the applicant's institutional mailbox *name.surname@edu.unifi.it* to the e-mail address *relint@scienze.unifi.it* with the object "Application for mobility to obtain the double degree with University of Rouen Normandie - a.y. 2026/2027".

Art. 5 - Evaluation Committee

The evaluation committee will be nominated by the President of the School of Mathematical, Physical and Natural Sciences and will be announced on the website of the School at the closing date of the present call.

Art. 6 - Selection of eligible students' candidates

The list of eligible students' candidates will be carried out on the basis of the selection criteria established by the Evaluation Committee, which will take into account the following elements:

- a. Achievements during the university career and year of enrolment;
- b. Motivation.

At the end of the selection, the eligibility ranking will be identified.

The University administration reserves the right to carry out appropriate checks on the veracity of the substitute declarations contained in the application for participation and in the annexes.

The list of eligible students will be published on the webpage of the School of Mathematical, Physical and Natural Sciences (<http://www.scienze.unifi.it/>).

Art. 7 - Acceptance of mobility

The eligible students must formalize their acceptance of the mobility within 3 days from the publication of the list through the subscription of a special form that will be available at the School of Mathematical, Physical and Natural Sciences.

The final list of eligible students will be announced by a Decree of the President of the School of Mathematical, Physical and Natural Sciences published in the webpage of the School of Mathematical, Physical and Natural Sciences (<http://www.scienze.unifi.it/>).

Art. 8 - Financial support for mobility

Pending the announcement by the National Erasmus+ Agency INDIRE of the exact number of scholarships awarded to the University, eligible candidates will be awarded an Erasmus+ study mobility grant, according to the eligible student's list and if they meet the eligibility requirements for such mobility.

If they are not eligible for the Erasmus+ grant, it will still be possible for the students to carry out the mobility at their own expenses.

The funding of Erasmus mobility grants is subject to the allocation of funds by the National Erasmus+ Agency INDIRE, following the publication of this Call. If the fundings will not be sufficient to cover all the monthly payments, the number of monthly payments might be reduced proportionately to the duration of the months provided for in the mobility contract, signed by the student before departure. It is up to the University Bodies to define criteria, methods and amounts of the contribution for the year 2026/2027 by July 2026, based on the funding of the Call 2026, that will be allocated to the University by the National Erasmus+ Agency INDIRE and the MUR to promote students' mobility.

For all the eligible candidates it is foreseen, compatibly with the financial resources available at the School of Mathematical, Physical and Natural Sciences, a financial support for mobility will be possible in the form of a partial contribution for the travel costs and/or a language course and/or urban transports to be paid upon return from the mobility, presenting the relative documents and receipts.

Art. 9 - Processing of personal data

In participating in this call, candidates acknowledge that the processing of their personal and sensitive data will take place in accordance with the procedures established by EU Regulation 2016/679 (GDPR) on the protection of persons regarding the processing of personal data. The candidates also shall take note that the curriculum vitae et studiorum and the declarations presented, following the current legislation, will be compliant with transparency obligations being published on the website of the University in the appropriate section of "Transparent Administration" and will be processed for the purposes of managing the selective procedure.

Art. 10 – Responsible for the procedure

Pursuant to Law 241/1990 and subsequent amendments and additions and the University Regulations on administrative procedures, the person in charge of the procedure is Dr. Chiara Coppola – School of Mathematical, Physical and Natural Sciences, viale Morgagni 40/44 – 50134 Florence - Tel. 055 2751349 - e-mail: relint@scienze.unifi.it

Art. 11 - Final rule

This call will be published on the "Albo Ufficiale" of the University of Florence, available at the link <http://www.unifi.it/albo-ufficiale.html>, until the deadline of the call and inserted in the web page of the School of Mathematical, Physical and Natural
